# Introduction

Hello and welcome!

This is a word puzzles booklet I've created as a follow-on from, or an introduction to, the series of 5-Minute Brain Workout Books.

It contains ten lots of one type of puzzle, 'Combined Anagrams'.

Regularly doing a series of short, varied tasks can keep your mind sharp, supple and flexible.

Feel free to check out other books, e-books and the '5-Minute Blog' on [www.kimchamberlain.com](http://www.kimchamberlain.com)

Enjoy!
